

MEDICAL WASTE DISPOSAL SYSTEMS

5, 8, 18, AND 28 GALLON SYSTEMS

Envirolaska's 5, 8, 18, and 28 gallon PureWay Medical Waste Disposal Systems offer Alaska generators a convenient, cost-effective, and compliant disposal option for regulated medical waste and sharps waste via an USPS authorized mail back solution. To use, simply place your full sharps containers (no loose sharps!) and red bag wastes into the supplied container. Once filled, return the container to the pre-paid return shipping box, seal, and give it to your regular USPS mail carrier. Purchase price for our systems, which are fully compliant with all federal, state, and local regulations, includes outbound and return mail postage. Purchase online at envirolaska.com as needed while only paying for what you need. It's that easy!

FEATURES

- Prepaid USPS shipping box for convenient return
- OSHA compliant, leak-proof, and puncture-resistant containers — made in the USA
- Tracking information and electronic destruction certificates sent automatically via email
- Complementary online portal available to access records and support reporting requirements

ADVANTAGES

- Average cost savings of 20-30% over competing systems
- Purchase as needed — only pay for what you need
- No contracts, monthly fees, pickup fees, or fuel surcharges
- Pre-filled manifest simplifies return process for staff
