

SHARPS DISPOSAL SYSTEMS

1.2, 2, AND 3 GALLON SYSTEMS

Envirolaska's 1.2, 2, and 3 gallon PureWay Sharps Disposal Systems offer Alaska generators a convenient, cost-effective, and compliant disposal option for sharps waste via an USPS authorized mail back solution. Our mail back systems replace costly pick-up services and are ideal for small quantity and rural Alaska generators alike. When full, simply place the container in the pre-paid return shipping box and give it to your regular USPS mail carrier. Purchase price for our systems, which are fully compliant with all federal, state, and local regulations, includes outbound and return mail postage. Consider multi-pack systems for practices where more than one location is utilized for the collection of sharps waste. Purchase online at envirolaska.com as needed while only paying for what you need. It's that easy!

FEATURES

- Prepaid USPS shipping box for convenient return
- OSHA compliant, leak-proof, and puncture-resistant sharps containers — made in the USA
- Tracking information and electronic destruction certificates sent automatically via email
- Complementary online record management available to all customers to support reporting requirements

ADVANTAGES

- Average cost savings of 20-30% over competing systems
- Purchase as needed — only pay for what you need
- No contracts, monthly fees, pickup fees, or fuel surcharges
- Pre-filled manifest simplifies return process for staff
